## Executive Director Report

Date: 5/2008

### Monthly Summary:

- ⇒ Weekly meetings continue to discuss the action plans associated with the state's SIM Plan initiative. We will have reviewed and provided input to the individual action plans for each of the initiatives. Next steps will be reviewing all initiatives together to ensure action item consistency.
- ⇒ I attended an Electronics Records and Information meeting involving 25 Kansas state and local government decision-makers, to explore the challenges, risks, and opportunities of managing government records. The meeting was sponsored by the Kansas Historical Society and hosted by former Governor John Carlin. This was a kick off meeting to acquire sponsorship at the Executive level within the agencies and to begin dialogue around the issues of long term storage of gov't information and the onset of e-discovery.
- ⇒ Reviewed and documented contractual requirements for 15 NIC affiliated states. Met with Contracts subcommittee of KDOR, KSOS, Dept. of Admin, and INK Counsel to determine board recommendation.
